

FROM: Henkel Corporation
SUBJECT: Reference to: 102919-EllsworthAdhesivesLargeInquiry_EU RoHS POS.pdf
DATE: November 27, 2019

Dear Customer,

This letter is in response to your inquiry concerning whether the following products listed in reference document 102919-EllsworthAdhesivesLargeInquiry_EU RoHS POS.pdf manufactured by Henkel Corporation contain any hazardous substances as defined by the European Union EU Directive **2011/65/EU** on the restriction of the use of certain hazardous substances in electrical and electronic equipment (**EU RoHS**), OJ 13.02.2003; esp. its Article 4, as last amended by Commission Delegated Directive (EU) **2015/863**.

To the best of our knowledge, the products listed in the referenced document contain restricted substances, detailed below, as listed in the above referenced regulation in concentrations above the limits as specified therein.

Please note that exemptions may apply for certain applications. Please refer to Annex III and Annex IV of EU Directive 2011/65/EU.

Please keep in mind that the information being provided regarding the substances contained in these products is based on information provided by suppliers or producers of the raw materials. We have not conducted any tests to determine the presence of these substances. In the event more information is required, we would suggest that appropriate analytical testing be conducted. This proprietary information is considered business-sensitive and should only be used for environmental, health, and safety purposes.

Regards,

Product Safety & Regulatory Affairs
