

FROM: Henkel Corporation  
SUBJECT: Reference to: 102919-EllsworthAdhesivesLargeInquiry\_EU RoHS NEG.pdf  
DATE: November 27, 2019

Dear Customer,

This letter is in response to your inquiry concerning whether the products listed in reference document **102919-EllsworthAdhesivesLargeInquiry\_EU RoHS NEG.pdf** manufactured by Henkel Corporation contain any hazardous substances as defined by the European Union EU Directive **2011/65/EU** on the restriction of the use of certain hazardous substances in electrical and electronic equipment (**EU RoHS**), OJ 13.02.2003; esp. its Article 4, as last amended by Commission Delegated Directive (EU) **2015/863**.

To the best of our knowledge, the products listed in the referenced document, do not contain any known or intentionally added restricted substances as listed in the above referenced regulations in concentrations above the limits as specified therein.

Please keep in mind that the information being provided regarding the substances contained in these products is based on information provided by suppliers or producers of the raw materials. We have not conducted any tests to determine the presence of these substances. In the event more information is required, we would suggest that appropriate analytical testing be conducted. This proprietary information is considered business-sensitive and should only be used for environmental, health, and safety purposes.

Regards,

Product Safety & Regulatory Affairs

Henkel Corporation, North America
