Subject: REACH-SVHC Compliance 06/27/2024, Additional 1 Substances

Dear Valued Customer,

As a Distributor, Ellsworth Adhesives has received REACH-SVHC Compliant documentation from our suppliers including the list of 240 SVHC substances from 01/23/2024 for the list of shelf-life products in Ellsworth Document Library. Currently, REACH-SVHC documentation regarding the updates from 06/27/2024 for the list of 241 substances is not available. We are currently working with our suppliers to retrieve the updated REACH-SVHC documentation. As documentation becomes available, we will make REACH-SVHC documentation available on the Ellsworth website, www.ellsworth.com.

We appreciate your continued business and apologize for any inconvenience this may cause. We are committed to providing you with the highest level of service. Our Engineered Sales Representatives and Customer Service Representatives are available to assist you with any questions. Please call 1-800-888-0698 to speak with your local representative.

Thanks in advance,
